

PROFESSIONAL:
SOLEDAD PEÑA

ACUPUNCTURIST AND THERAPIST OF NATURAL
THERAPIES

TREATMENTS

Tung Acupuncture

System based on the use of a small number of needles and a rapid response, effective and powerful in the treatment of pain, inflammation and different emotional symptoms and internal pathologies.

Auriculotherapy

Stimulation of the points of the external ear to diagnose and treat pain and various pathologies, with excellent results.

Cupping massage

Helps to decongest the area of the skin where it is applied, relieving muscle pain very quickly and helping the body's energy to flow.

Energetic cleaning (Hebrew pendulum)

Helps to correct any blockages or imbalances in the body's energy.
It can help relieve stress, anxiety, pain and other physical symptoms.

Relaxing massage

Massage with a therapeutic effect, allowing relaxation of mind and body.

Duration 1 hour

45,00 €
